DONATION APPEAL

Support Summer Camps for Children in Need!

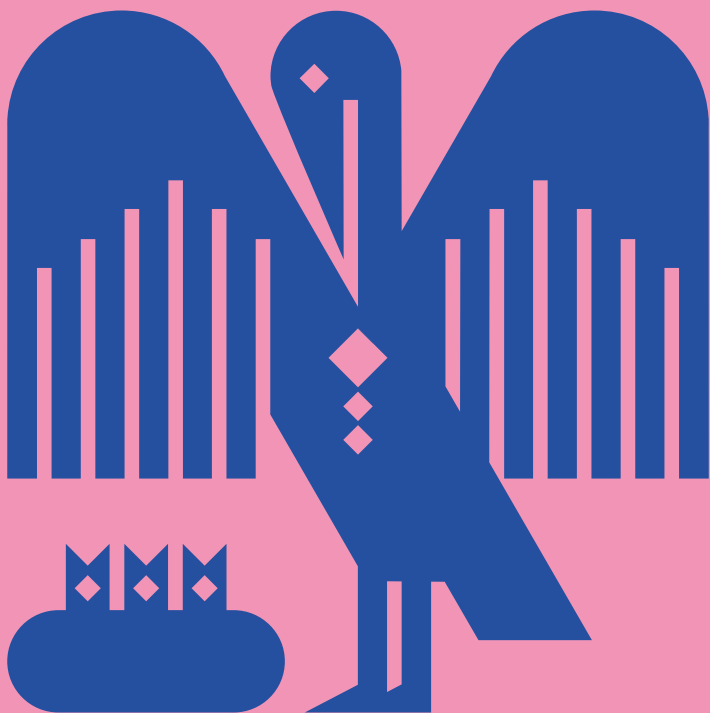

Each year, the Reformed Music Festival stands by a noble cause. This year, we are turning our attention to children living in the most disadvantaged regions, including those in child protection, foster care, or living with disabilities. We are supporting the Reformed Bárka Camp, which provides joy, community, and spiritual renewal to those children for whom summer camp would otherwise be an unreachable dream. Help us make these dreams come true! You can donate in the collection boxes located at the festival venues, or via bank transfer to:
